

# Cooley Cares For Kids 2019

Starting May 1st, donate to the Cooley Cares For Kids program and you will help local children. All donations go towards pediatric programs at Cooley Dickinson Hospital – from newborns to teenagers, your support helps to provide compassionate, personalized care to over 9,000 children who are served by Cooley Dickinson Health Care every year. This year, all proceeds raised will benefit the Childbirth Center.

Please visit one of these participating Cooley Cares For Kids locations to support important services for the children of our community, or visit [www.cooleydickinson.org/cooleycareforkids](http://www.cooleydickinson.org/cooleycareforkids) or call (413) 582-GIVE (4483).

# When you donate to the Cooley Cares For Kids program, you are helping local children served by Cooley Dickinson.

This spring, the Cooley Cares For Kids program is partnering with local businesses to help raise funds for the Childbirth Center. For many families, the Childbirth Center may be their first hospital experience. From newborns to teenagers, your support helps to provide compassionate, personalized care to over 9,000 children who are served by Cooley Dickinson every year.
