

During this public health crisis we are serving our meals as to-gos. We will still be here, 5 days a week, with fresh, hot, and nutritious meals, but we will now be handing them out at our door for you to take with you. We have also extended our hours in an effort to spread out our meal collections so our patrons can more easily maintain social distance.

During this immensely challenging time, we are prepared to help. If you or anyone you know are in need of meals, please feel no hesitation in utilizing our services. We are here for everyone in our community.

LET ALL WHO ARE HUNGRY ENTER AND EAT.

SUPPORT MANNA SOUP KITCHEN

When the Hebrew people were freed from slavery in Egypt, they spent 40 years in the wilderness before reaching the Promised Land.

During that time, God sustained them with Manna, “Bread from heaven”, that appeared each day after the dew had evaporated.

Manna is the biblical assurance that God will provide for us, both physically and spiritually, as we move through hardships and difficulties toward our own promised lands.
