

Cooley Dickinson Hospital is Hiring Student Nursing Assistants

Cooley Dickinson Hospital's Student Nurse Assistant Program is designed to provide experience in the acute care setting to local nursing students. There are many benefits to working as a student nurse assistant including:

- Expanded learning and networking
- Increased competence and confidence in decision making
- Increased satisfaction and professional commitment
- Development of stronger critical thinking skills
- Gain experience in different specialty units
- Opportunities for nursing positions upon graduating

MINIMUM REQUIREMENTS:

- A nursing student actively enrolled in a nursing program with at least 1 clinical rotation completed
- Basic Life Support certification
- Demonstrated excellent technical, interpersonal, organizational, oral, and written communication skills

HOURLY REQUIREMENTS:

- Complete a full-time orientation during winter break of nursing school
- Minimum requirement of 16 hours per month during the school year with opportunity for more hours
- 24 hours per week with every third weekend during the summer

UNITS WE ARE HIRING FOR:

- Resource Pool (floating to Telemetry, Medsurg, Critical Care, Behavioral Health, and Emergency Department)

HOW TO APPLY:

- To apply, visit us at www.CooleyDickinson.org/careers/ and search for "Student Nurse Assistant" or contact Jordan Conrad, Human Resources Recruiter at jconrad3@cooleydickinson.org
